

The MN Volunteer Safety Instructors Association, along with the Anoka County Safety Instructors, are partnering with Kathy Messer from the American Heart Association to offer their First Aid, CPR, and AED certification course.

As DNR certified instructors, we need to be prepared for any emergency which may come up. This course will focus on situations DNR instructors may find themselves in while in the classroom or outdoors during the field day, and is open to all Snowmobile, ATV, and FAS instructors. By attending this program, you will be certified in all three American Heart Association programs: First Aid, CPR, and AED.

This course will be offered in Oak Grove, MN at the New Life Lutheran Church just off Hwy 22 and Hwy 9 in Anoka County.
